**PETITIONING THE COURT**

To terminate the term of supervision effective immediately.

**CAUSE**

Mr. Wilson began his term of supervised release on March 28, 2018, in the Eastern District of Tennessee. He has completed two (2) years and seven (7) months of his five (5) years of Supervised Release. His progress on supervision has been above average. Mr. Wilson has satisfied his special assessment fee and his DNA was secured on April 20, 2011. He has maintained a stable residence and employment. Mr. Wilson has never tested positive for any illegal drug use nor has he incurred any new arrests while under supervision. Mr. Wilson is scheduled to terminate his supervised release on March 27, 2023. Due to his above average compliance during his supervised release, his case is considered appropriate for early termination.

Assistant United States Attorney Perry H. Piper was consulted on October 29, 2020, regarding this request and indicated he had no objections to this recommendation. Therefore, if the Court concurs, this officer respectfully recommends that the Court terminate Mr. Wilson's supervised release effective immediately.
